

FORM FOR OBTAINING AN EV CHARGING CARD OF EPBIH

JP Elektroprivreda BiH d.d. – Sarajevo (EPBiH) is providing free electric vehicle charging on its EV charging stations. For using the EPBiH charging stations, data in Table 1 needs to be filled-in, after which the driver can obtain a free RFID card.

Provided data will be only used for statistical purposes for users of EPBiH charging stations

Table 1 Data of EPBiH charging station user

RFID card no.	Name	Surname	Vehicle type	Telephone	E-mail	Address	City and country
<hr/> <small>(Filled in by EP BiH)</small>							

Filled-in form is used to issue the RFID card and can be delivered in the following ways:

- Directly on the info pult / reception of EPBiH buildings next to the charging stations (Bihać, Goražde, Mostar, Sarajevo, Travnik, Tuzla and Zenica)
- Electronically to the email address: punionice@epbih.ba, after which the RFID card will be sent by postmail to the address noted in Table 1.

Instructions for EPBiH staff in Bosnian language

Upute za uposlenika EP BiH:

- Uposlenik EP BiH će osigurati da je Formular popunjen od strane korisnika i dopisati lično serijski broj RFID kartice u Formular, te izdati tu RFID karticu korisniku (poštom ili lično).
- Uz RFID karticu će korisniku dati/poslati mailom i kopiju Uputstva za upotrebu punionice.
- U slučaju predavanja kartice lično u objektu EPBiH, uposlenik EP BiH će poslati mailom skeniran popunjeni formular na mail adresu projekta EPBiH, a koju koriste uposlenici zaduženi za unos korisnika u CPMS sistem: punionice@epbih.ba
