

ENVIRONMENTAL POLICY

JP Elektroprivreda BiH d.d. – Sarajevo bases its business strategy on the principles of sustainable development. The business activities, development plans, and projects are based on the concept of preventive action and continuous improvement in accordance with valid legislation and standards of environmental protection.

For the implementation of business strategy, priorities are focused on:

- Monitoring and implementation of international obligations of Bosnia and Herzegovina in the electricity sector,
- Generation of electrical and thermal power with the application of best available techniques and use of environmentally acceptable raw materials,
- Preventive maintenance of power plants with reduction of the existing energy losses,
- Building of replacement and high-efficiency cogenerating thermal power units,
- Expansion of district heating network, as a sustainable solution in the energy transition,
- Increasing the share of renewable energy sources in the generation mix,
- Increasing energy efficiency in generation, distribution, and supply,
- Development of electro-mobility projects,
- Quality control of coal and other generation resources, monitoring and reduction of emission of pollutants and harmful substances into the environment,
- Continuous monitoring of watercourses by installing on-line water meter stations,
- Assessment of risk and potential incidents for the environment, planning preventive and intervention measures,
- Appropriate management of harmful and dangerous waste materials,
- Motivation and development of environmental

The employees are continuously educated with the aim of acquiring necessary knowledge and contributing efficiently to the environmental protection.

Communication is improved continuously with all the levels of government, international organisations, associations of citizens, and all stakeholders in the society.

Subsidiaries and affiliates have adopted their own environmental policies compatible with the environmental policies of JP Elektroprivreda BiH d.d.- Sarajevo.
